

BAROSSA EYE CLINIC

Transparent Pricing Guide 2025

Important Information for Patients

Pensioner & Concession Discounts Available - Please present your card on the day of consultation for reduced fees.

Bulk Billing Available - We offer bulk billing for second opinions at our discretion for patients with long-term eye condition, including macular degeneration, glaucoma, or cataract/corneal issues. Please have your referring practitioner note this clearly on your referral form.

Flexible Appointment Options - Late evening clinics available Wednesdays for patients requiring family transport assistance.

Transport Assistance - We can arrange transport solutions for patients unable to reach our clinic, assessed case by case based on individual circumstances.
